INTERNSHIP EXPERIENCE

Amazon Summer Internship
Cloud & Network Operations Intern
May – Aug 2023

- Gained hands-on experience with AWS tools and scalable infrastructure.

- Monitored system performance and participated in cloud maintenance and troubleshooting.

TECHNICAL PROJECTS

Speed Typing Web App

- Built a full stack typing game with real-time feedback and performance tracking using JavaScript.

- Integrated Google Sign-In API for secure authentication.

- Led the team and wrote batch scripts to simplify local deployment and testing.

Multi-Client Web App with Tomcat & MySQL

- Developed a web-based multi-client application deployed on Apache Tomcat, using JSP/Servlets and MySQL.

- Implemented user authentication, role-based access control, and secure SQL execution across different user roles.

- Designed client-server architecture supporting concurrent access through browser-based interfaces.

Personal Portfolio Website

- Designed and deployed a personal website to showcase projects, resume, and GitHub repositories.

- Built using HTML, CSS, and JavaScript, hosted on Vercel, with mobile responsiveness and clean UI/UX.

- Demonstrates understanding of frontend principles, accessibility, and deployment workflows.

PROFESSIONAL EXPERIENCE

Production Leader / Operations Trainer
Olive Garden — 2022 – Present

- Lead team of 3 in production operations, ensuring food quality, inventory, and operational reporting.

General Manager

Tijuana Flats — 2015 – 2022

- Directed operations for a team of 50+, managing P&L, inventory, scheduling, and team development.

Manager

PDQ — 2013 – 2015
